

From the Principal:

Grade 6 Students:

On Wednesday night we had the Graduation Ceremony for our departing Grade 6s at Preston City Hall. It was a wonderful night of celebration with speeches, dances, songs and video presentations that captured the thoughts and feelings of the students as they reminisced about their time at Bell.

On behalf of the school community, I would like to congratulate the graduates and wish them all the best in their next stage of schooling. It is an exciting but sometimes daunting adventure but we are confident they will embrace the challenge and thrive in the many opportunities secondary schooling can offer.

I would also like to take this opportunity to thank Dimi Efthymiou and Jack Fray, as well as their team of helpers, whose organisation and incredible effort made the night a success.

Bell Families:

At our Graduation ceremony we also acknowledged those families of Year 6s who are departing the school community. To those Year 6 families and any other families leaving our school, we once again thank you for your contributions over the years and hope their futures are bright and successful wherever the next road in life takes them.

Staff:

As the year draws to a close, there are always the sad moments when we say goodbye to teachers as they move on to new pathways in their careers. I would like to thank the following teachers for their dedication to the Bell team: *Andrew Williamson, Toby Russo, Daniel Guglielmini, Brogan Justice, Felicity Little and Rebecca Foulds*. I would also like to apologise for missing Brogan Justice off of the list in the last newsletter.

We also take this opportunity to express to Ramzey our best wishes and look forward to his return in 2020. We had hoped that Ramzey may be well enough to visit on the last few days of term to celebrate with the students in his grade. Unfortunately due to his recovery and limited mobility, this was not possible. Jamie Schofield has continued to teach 3/4B in Ramzey's absence and we would like to thank her for her commitment to providing our students with continuity of their regular classroom program over the past four weeks.

Dedication to Bell:

There are too many people to mention individually who contribute to the successes and on-going improvement to our school, but I would like to make the following acknowledgements:

- I thank the hard working, collaborative and fun loving staff who deliver the quality learning programs for the students each day;
- The many parent/carers volunteers who help in various ways, including those in formal positions such as the FUNdraising group headed by the amazing Bridget Ah Ching, Julie Pagel and Nicole McCulloch;
- Nicole Galea for the important work she has commenced in running the second hand uniform shop;
- I congratulate School Council for their key role in the Governance of the school and appreciate their support this year; and
- The admin staff who are the face of our school; always on the ball and making the school tick over in an efficient manner.

2019 Reflections and Future Plans:

As another busy school year comes to an end, and I complete my second year of Principal at Bell, I remain in awe of the passion from our students which drives them to want to make a difference in our world, tackling big issues from climate change to endangered animals and pollution. The global awareness of our students at such a young age is truly remarkable. Not only are our students extending their learning beyond the four walls of a traditional classroom, at a young age they are becoming active and informed citizens determined to live their values and make a difference to local and global issues.

This year I have continued to value the support of the parent/carer community. Whether it be involvement in school events and activities, opportunities to support the learning of our students in classrooms or through the contribution of your expertise to better our school environment, I am truly appreciative of your time and efforts.

A number of community events served as highlights for me throughout the year, including the La Bellissima Festa, where we saw the students dance and perform in class groups to various Italian songs. P-3 and Year 4-6 Athletics Days are always a highlight, watching students demonstrate persistence through taking part in a range of sporting events and, of course, getting to have some fun and build teamwork along the way.

Along with these events, this year has seen the following projects come to fruition and new school initiatives implemented:

- Transformation of the North Oval play space, re-development of the South Oval and of course the \$2M development of the library, upstairs classrooms and toilets.
- The rollout of Compass modules including Attendance and NewsFeed to strengthen our home/school communication.
- The introduction of the Berry Street Education Model and, in particular, the consistent implementation of Ready to Learn scales, brain breaks and morning circles. These initiatives are helping our students begin the school day in a positive way and are promoting and prompting discussions and the building of relationships between teachers and students.
- Phasing in of DET recommended frameworks and policies for the delivery of consistent behaviour management, including our Behaviour Matrix that supports the teaching of expected behaviours through alignment with our school values.
- Regular open mornings/afternoons and 'Celebrations of Learning' to better connect parents/carers to daily learning in the classrooms, and to gain an understanding about the language of learning.

All of which serve to strengthen our community connections and the wellbeing, engagement and learning of our students at Bell.

And while this year draws to a close, we are already looking forward to what next year brings. Again there will be more exciting projects to enhance our learning and play spaces and the implementation or strengthening of new and existing initiatives or approaches, which will make a positive impact across the school. This includes:

- Installation of nets in the Northern Play space over this upcoming break. This will enable us to once again allow ball games in this space as windows will be protected from wayward balls.
- A Landcare grant will see us make some improvements to the butterfly garden play space.
- Purchasing of new furniture for our new classroom and library spaces. At the moment, our old furniture has been moved into this space as a temporary measure. This will enable our staff and students to get a feel for the space before we can make some decisions around new and innovative furniture that will support the idea of flexible learning spaces.
- Transformation of the shelter shed. This project will use our vital fundraising dollars to make our shelter shed an engaging passive play space. This idea came from the community survey and is a great example of 'student voice' where we can take the kid's ideas and make them a reality.
- Continuation of our Berry Street training and implementation of actions from the Stamina, Character and Engagement domains.
- Introduction of a formalised coaching/mentoring program to support staff professional learning and consistency in our approaches to teaching and learning.

And of course we will continue in our efforts to seek financial support for Phase 2 of our Master Plan - which of course is the community gymnasium and music facility.

Finally, I'd like to thank the entire Bell Community for another positive and enjoyable year. I wish every family and staff member a relaxing, enjoyable and safe summer holiday.

David Twite,
Principal

From the Assisting Principal:

Reporting to Parents/ Carers

Thank you to the parents/carers who took the time to provide us with feedback regarding our formal reporting processes through our Reporting to Parents/Carers survey. Along with the feedback from staff and students, we will be utilising this information to inform any adjustments to our formal reporting procedures for the new school year.

As a direct result of the feedback from our parents and teachers, we are making the following adjustments to our year level information evenings that are conducted at the beginning of each year. As of next year, the Information Nights will be conducted in Week 3 of Term 1. This will enable the timely sharing of information that is pertinent to your child's 2020 year level. In addition to bringing these sessions forward by a couple of weeks, we are also communicating the dates of these evenings to parents/carers earlier, and hope that with advanced notice, families can make time in their busy schedules to attend the relevant meetings and strengthen the school/family partnership.

Each grade level team will be holding Information Sessions to outline key aspects of their programs to ensure parents and carers are well informed about routines, student expectations and learning practices that will be consistently implemented across the year level. While it is important that some information regarding our school processes is reiterated on a yearly basis, we are also wanting to communicate with parents with regards to areas of their child's schooling that they are seeking further information. Therefore, again as a result of the feedback from our survey, we are offering for individuals to contribute ideas to help inform the agenda for the information evening, ensuring it is aligned to the needs of our parent and carer community. If you have questions or topics that you would like considered for the agenda of the information session for a particular year level, please click on the link below:

bit.ly/bell2020info.

This will close on Friday 31 January to enable staff time to consider the information requests of parents and determine the achievability of including particular questions or topics into the presentation.

Please note that this is an opportunity to contribute ideas for broader topics to be covered on the evening that are relevant to the year level cohort. Any information or questions that are relevant to your individual child are best addressed through a private discussion with their classroom teacher.

2020 Parent Information sessions will be conducted on the following days and times:

Prep - Thursday February 6, 5:30-6:30pm
Grade 1 - Monday February 10, 5:30-6:30pm
Grade 2 - Tuesday February 11, 5:30-6:30pm
Grade 3 - Monday February 10, 6:30-7:30pm
Grade 4 - Wednesday February 12, 5:30-6:30pm
Grade 5 - Thursday February 13, 6:30-7:30pm
Grade 6 - Tuesday February 11, 6:30-7:30pm

Please note the above dates and times have been strategically allocated throughout the week in an attempt to reduce overlap for families with multiple children. The location of information sessions will be published in the first newsletter for 2020.

Finally, I'd like to thank teachers, parents and students, for welcoming me to the school community. I would like to wish everyone - staff, parents and students - a very Merry Christmas and a safe and relaxing break.

Best wishes,

Emma Heywood
Assistant Principal

Important Dates 2019 / 2020:

JANUARY 2020

- **Tue 28:** Curriculum Day #1 (student free)
- **Wed 29:** Curriculum Day #2 (student free)
- **Thu 30:** Grades 1-6 return to school
- **Fri 31:** Grade Preps – Group A only – start school

FEBRUARY

From the Junior School Council:

Grade 3 Reps

The grade 5 and 6 JSCs, as well as the School Captains, attended the **National Young Leaders Day** earlier in the year, we listened to some inspirational speakers share their opinions on leadership. We also spoke at a **School Council** meeting and explained to the teachers and parents what being a JSC rep involved. Some reps even put together a video to help inform them of what we do as JSCs. One of the most fun meetings to attend was the **Darebin Council 'Walkshop'** where the 5 and 6 reps brainstormed ideas for Walktober, it was helpful and a major part of the planning stage.

Some fun things that we organised were a **staff versus student soccer** game and a **sports dress-up day** for **November**, which raised \$502. There was a **book week parade**, JSC ran the assembly and we collected \$335 for **Spinal Muscular Atrophy**. Some reps organised a **Casual Clothes Crazy Hair Disco**, which raised \$450 for **State School Relief**. The most successful event was the **World's Greatest Shave**, in which nine brave students shaved their heads, collectively raising a whopping \$8,817.94. We had a prep to grade 3 **mini athletics day**, Where kids enjoyed 21 athletics activities, A few reps had the honour of hosting **La Bellissima Festa**, the Italian festival and did an excellent job. JSC also help the school in small or large ways by doing **odd jobs** around the place.

This year, the **Junior School Council** representatives have worked incredibly hard with Dimi to organise and run events all over the school, raising money for lots of different foundations. They also attended some important meetings and as always, were role models for the rest of the school, especially the younger ones. Here are some of the JSCs to tell you about the things we did this year. - The School Captains

Grade 4 Reps

Walktober was a major event that lasted a whole month, we organised many fun activities, including a **dance** during lunch time, helped junior grades **design and decorate shoes** with sequins, buttons, pom-poms, textas, and much more. Some reps gave up their lunchtimes to operate the glue guns for the younger ones. A **walkathon** was also organised and the 4s, 5s and 6s had fun gaining laps.

Grade 5 Reps

The JSCs always give up their lunchtimes, and Thursday afternoon sessions to attend regular meetings. We unpack the parking lots that each of the classes completed in their grade meetings. After doing that, a few reps go with Dimi downstairs to have a meeting with David and Emma, explaining what the subjects of the parking lots included, and make decisions with them to be shared with the classes by the JSCs in their next class meeting. Some JSCs write articles for the newsletter, keeping the Bell community updated on what the JSC is doing. JSC work can be hard but it's also rewarding and fun. We got to go on a tour of the new building when the construction had just started with David and the local Victorian politician, Kat Theophanous.

School Captains

Grade 6 Reps

From the Specialist Team:

Specialist Team Young Achiever Awards

15 talented students across Bell Primary School received an award (and some free pancakes!) from the Specialist teachers this week thanks to The Pancake Parlour as part of their 2019 Young Achiever's Program.

The students selected demonstrated commitment and excellence in Music, Art, Sport or Italian. Congratulations to all our award winners!

**The Specialist Team –
Ms S, Anna, Rebecca
and Signora Elyssa.**

From the Fundraising Team:

RECENT FUNDRAISING EFFORTS:

- **Mango Drive** – We hope everyone is devouring their delicious mangos. A big thank you to Kate James for again coordinating this drive and to the volunteers who distributed the mangoes. \$1741.00 was raised from sales of the trays of mangoes.
- **Tote Bags** – Another amazing effort from Tash Palich. Thanks also to Anna for assisting the students in producing the artwork and to the volunteers in collating and distributing such a great personalised tote bag. \$2564.12 was raised from sales of the bags.
- **Icy-Pole Day** – Thank you to Marsha Degan and all the volunteers who managed to sell out of icy-poles! \$671.40 was raised in one lunchtime selling icy poles to very excited students.

BELL PRIMARY FETE - NOVEMBER 2020

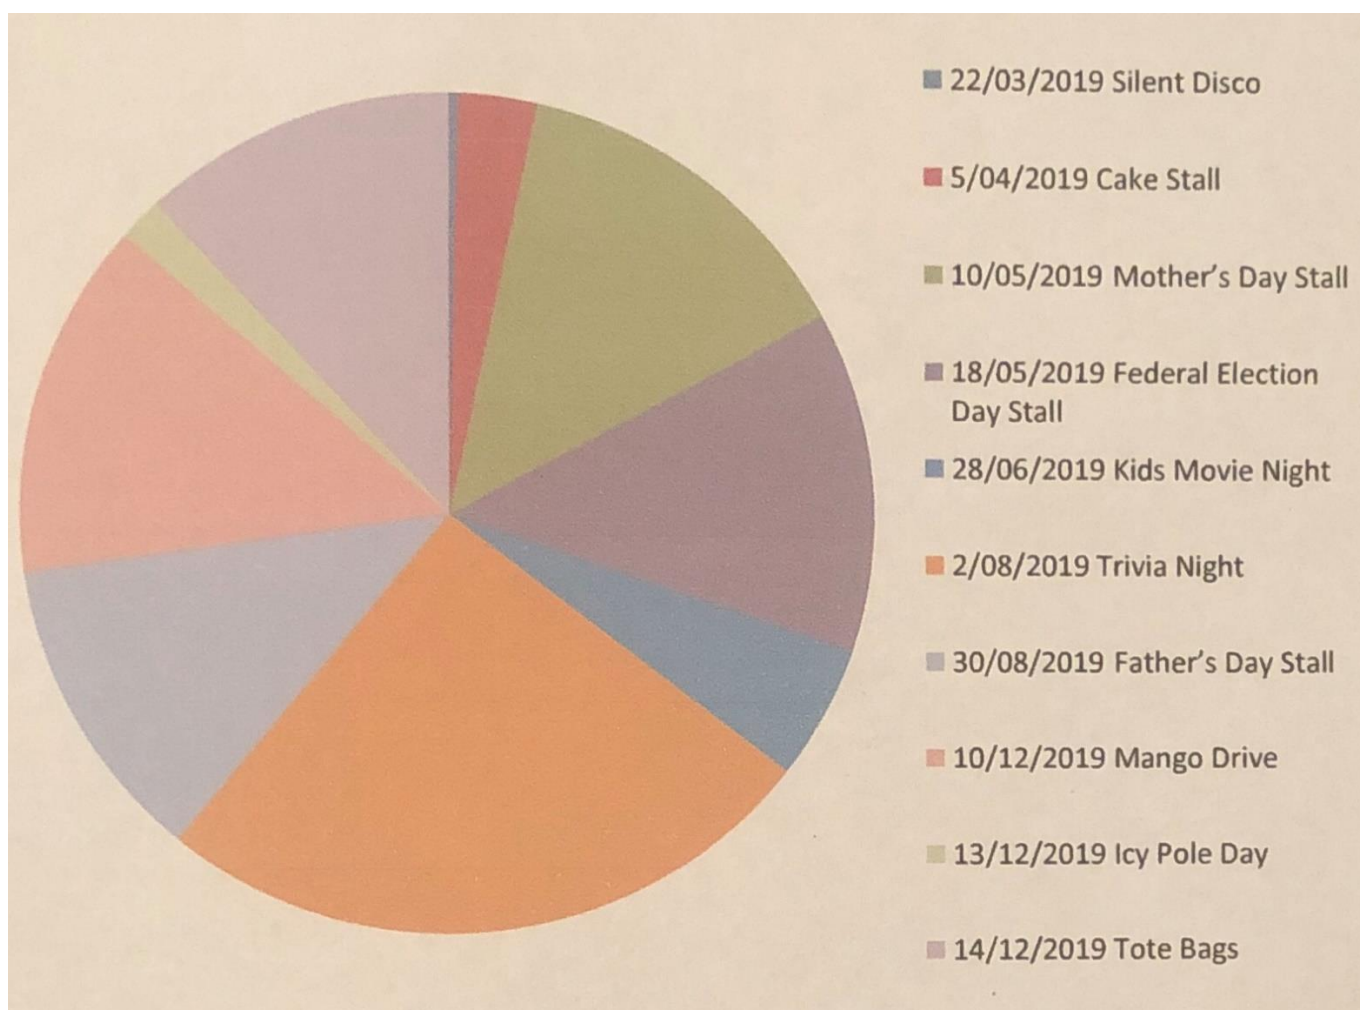

Are you planning on having a 'Summer Clean Out', are your Fruit Trees full and ready to make preserves or are you making the most of time off over the summer in the garden?

The Fete will come around before we know it – so it would be wonderful if as a community we could start to gather items that could be used in the various stalls:

- Start collecting unwanted great condition clothes, toys, books...
- Keep jars that could be used to make preserves, lucky dips etc...
- Begin making plant clippings and plant some vegetables/herbs that could be sold...

2019 FUNDRAISING REVIEW:

A huge thank you to everyone who has volunteered, baked, purchased and helped out in the many various ways this year – we have had another successful year.

As a community, we have raised **\$33,258.69** in 2019. As communicated previously by School Council, these funds have been allocated in accordance with the requests made by teaching staff, students and the broader Bell community. It has been great to observe the benefits of this huge effort when playing in the Northern Play Space and hearing that our teachers and children are thoroughly engaged in learning environments complimented by improved technology with state-of-the-art TV screens installed within all classrooms of the school. These funds will also contribute towards the student identified project of refurbishing the shelter shed to create a kid's hub for passive and social activities.

We would like to acknowledge our wonderful Event Captains who very kindly volunteered their time to coordinate and run the various fundraising events this year – without you, these events could not have taken place!

- Melanie Roberts & Germaine Koh (Cupcake Stall)
- Brodie de Munk, Marsha Degan, Allison Farley & Bridget Ah Ching (Mother's/Father's & Special Person's Day Stalls)
- Ayme Pruscino, Clare Perry, Leslie Daines, Kate Fikai, Julie Pagel & Nicole McCulloch (Election Day Stalls)
- Louise Gray (Kid's Movie Night & Scholastic Book Club)
- Tash Palich, Francine Bird & Dave Hall (Trivia Night)
- Tash Palich (Tote Bags)
- Kate James (Mango Drive)
- Marsha Degan (Icy-Pole Day)

Going forward in 2020.....we will be putting a call out for 2020 unfilled event captains in the new year. If you have any great Fundraising ideas and would like to help coordinate a new event, please reach out as we would love to support you in this and it would be great to have some new faces assist with Fundraising.

Have a great Christmas and holiday break – and we look forward to working as a community in 2020 to raise more funds for our great Bell community.

Cheers,

The FUNdraising Team

Junior Adventures Group continues to pioneer the OSHC sector, building stronger communities and brighter futures for more than 70,000 children, 50,000 families and more than 450 schools across Australia.

Our Values

- Considerate - Be there for others
- Passionate - Bring energy and determination
- Courageous - Challenge ourselves

The values we share guide our behaviour as we work towards our vision to build brighter futures together.

What we offer

- A healthy, safe, respectful and engaging environment
- Caring, enthusiastic, fun and friendly team
- New and popular excursions, incursions and theme days
- Stimulating experiences tailored to children's interests, abilities and current trends
- OSHClub endeavour to link each fun experience to key learning outcomes

We are a child safe organisation

What Does My Child Bring?

Please bring breakfast, morning tea, lunch, afternoon tea and a refillable drink bottle. If bringing food please make sure it's nutritious and doesn't require heating or cooking.

Please be mindful of the planned incursion/excursion and ensure your children are dressed appropriately. Don't forget your sun smart hat, comfortable clothes, closed shoes and a drink bottle.

To avoid loss or disappointment, please leave your valuables, money and electronic toys (including tablets and smartphones) at home.

Healthy Eating

OSHClub follows the Australian dietary guidelines which can be found at <https://www.eatforhealth.gov.au>

Activity Changes

If an excursion or incursion (due to unforeseen circumstances) is cancelled, the activity will either be postponed or an alternative activity of equal value will be provided where possible.

Before making your booking & cancellations

All children must be enrolled with OSHClub prior to booking via oshclub.com.au. Bookings made within 5 days for a Vacation Care session will incur an extra charge of \$4.00 per day per child. 7 days notice is required for cancellation of a Vacation Care booking to ensure you will not incur out of pocket costs. Please note that bookings cannot be made online within 5 days of the session commencing. In order to book within this period, you will need to contact the service directly, the Customer Service and Billing Team on 1300 395 735 or by emailing oshaccounts@junioradventuresgroup.com.au.

Child care subsidy

Our services are registered with Centrelink, so you will be able to claim Child Care Subsidy on your fees. For further information please visit <https://www.education.gov.au/new-child-care-package-frequently-asked-questions>.

Children with additional needs

We support all children including children with additional needs. If you would like to provide additional information about your child and his/her needs or require inclusion support funding, please contact us 6 weeks prior to program commencement on 0413 123 119 for staffing purposes.

Book now at oshclub.com.au | be quick as places are limited
