

School Council Forum

Just a reminder about the upcoming Bell PS Community Forum scheduled for **Thursday 17 May**. Members of our School Council, including David Twite and teacher representatives, will be presenting information and answering questions.

We are looking for what our school community wants to know about Bell. We have received a small number of questions or topics to be considered on the night, so please email your own matters of interest – with the subject heading “Community Forum Question” - to bell.ps@edumail.vic.gov.au.

Grandparents / Special Someone Morning Tea

The Prep Team are holding their Grandparents / Special Someone Morning Tea this **Thursday 3 May**. Please ensure guests arrive promptly at 8.50 am so they can sign in, and the team can commence the morning as close to 9.00 am as possible.

Mowing of School Grounds

Please remind family members that our school grounds will be mown, whipper-snipped, and generally tidied up a little this weekend. Keep in mind that a ride-on mower and whipper-snipper will be doing the rounds of the school grounds.
